Welcome to Bayou Federal Credit Union - your newest member benefit! As a member of the Louisiana State Nurses Association, you may now take advantage of all the wonderful and competitively priced financial products and services that are available at our full service financial institution. But, most importantly, upon joining the credit union, you will become a member/owner.

Our History

Bayou FCU has been serving the financial needs of our member/owners for almost 50 years, having been chartered in December, 1954. In the past half of a century we have grown to include over 250 different employee groups and associations, serving over 10,000 members across the country. Our rich history and the loyalty of our members are testaments to our strength and security.

Your First Choice

Our goal is to assist you in meeting all of your current, as well as future financial goals, with personal service, convenience and exceptional rates. We want to be your primary financial institution - the first place you think of when considering a new loan or opening a new account. From high-yield savings accounts to consumer loans to on-line banking, our comprehensive line of products are designed to our members' specifications. And once you establish membership, you have convenient access to a network of over 54 credit union locations in the state and 1,183 locations nationwide where you can handle your financial transactions as though you were in our lobby. For a directory, log onto www.cuservicecenter.com.

You are Our Family

Once you become a member/owner, you can share your credit union experience with your family members also. All the same services that are available with your membership are also available to your family members. In addition, once you become a member of Bayou Federal Credit Union, as long as you remain a member in good standing, you can continue your relationship with the credit union. Even if you choose to leave your affiliation with the association or change jobs, our motto "Once a Member, Always a Member" applies to you.
